When I full timed in our RV, she and Joe were my neighbors for a month on South Padre Island. We became good friends and we would hook up with them for RV trips in San Antonio, and would go fishing in Salida and Buena Vista Colorado with them. Always the best of times. I remember them always yelling at Fritz and Norma's amazing deep fried shrimp! Will miss her and all the fun times and laughs we had like when Bubba fell into the city sewer and the panic that ensued! RIP my long time and special friend

Norma Lee Glover was my dear Aunt and my father's little sister. She was also my friend. I traveled with her and Joe around the US, and of course visited her many times in Tulsa. She was exceptional in many ways, and I loved her very much. As a child growing up in Okmulgee, I was captivated by her beauty and her humor.
