M ark McCready Obituary

Husband to Gina, son to Ross and Tillie McCready, brother to Karen, Jan, Gary and Jimmy, stepfather to Christopher and Michael and grandfather to Zane. Mark loved his family, and he loved his friends like family. Born in Ft. Worth, Texas, he spent most of his life living, working and playing in Houston. He worked mainly in the oil and gas industry. He was blessed to be able to retire early and spend the last 3 years of his life in Puerto Vallarta, Mexico with his wife, where he also made many new friendships with people from all around the world. He knew he was loved, and he loved everyone right back...tenfold.

From the first blind date, you stole my heart, and wrapped it up in your love.

Now you will, forever be, loving me from above.

Rest in paradise, my love, on the beach up above, where the sunsets are always ablaze.

I will miss you down here, sipping on your beer.

Where the skies are not cloudy all day.

Til we meet again, I love you mucho MY mon!

Mark had an open mind and a heart to match. All us pesky humans can learn from Mark's life. The good, they do die (too) young.
