## Sandy Inman Obituary

Sandy Frank Inman, 69, of Elizabethtown, North Carolina went home to be with his Lord and Savior on Sunday, November 26, 2023, in Tulsa, Oklahoma. He was the loving husband of Janet Inman, with whom he shared 50 beautiful years of marriage, and a proud father to Cody Inman. His enduring commitment to living for the Lord led Janet and Sandy to founding Inman Ministries which he gave his life's work to support. Sandy's compassion, wisdom, love, friendship, witty jokes, and spiritual guidance touched the lives of many in the community. He will be deeply missed by all who were blessed to know him. In addition to his wife and son, Sandy is lovingly remembered by his siblings Georgia Inman Stoker and husband Junior and family, and John Inman and wife Marilyn and family. Janet and Cody, we're so very sorry to hear about Sandy's unexpected graduation to heaven. I have so many great memories along with many in-depth conversations about ministry. He was so passionate about Jesus and had a great sense of humor. We love y'all and you have been and will be in our prayers.

Sandy, Janet & Cody we met when they lived in Rutherfordton NC. They were our friends, but I felt like they were family. We shared our deep love for Jesus. We went to church together. Sandy was such a great man of God. Psalm 37 :23 says the steps of a righteous man are ordered by the Lord and Sandy displayed this everyday in all that he did. He built a Godly home and family, where we treasured time with them. We loved listening to Janet play piano and we always prayed. My brother in Christ is now in heaven where we will meet again soon! I'm quite sure that our father God said to Sandy, "Well done my good and faithful servant"! All of our love and prayers to Janet & Cody! Tammy, Dennis and Judson and Jordan Barnes

To the Sandy Inman Family & Friend I became friends with Sandy in 1974 at Lees McRae college in Banner Elk NC. We were just kids both with long hair and Sandy long blond hair never out of place. Sandy drove a really cool Chev. Monte Carlo I think it was black & really fast. We lost track of each other until maybe a year or two ago Sandy made contact with me and one afternoon while out tending my cattle I returned his call. To say the least we had a lot to catch up on! After telling each other where our lives had taken us I realized his purpose connecting with me was God, my salvation he was concerned & that was what he needed to know about an old college friend. I think we were both blessed to have survived being young and crazy, Sandy probably more level headed than me!! Sandy, when we shared our favorite Bible verse I knew where God had led us both too!!! Romans 8 : 28 ❤️🙏
