Patrick Crowell Obituary

Services to honor and celebrate the life of Patrick F. Crowell will be 10:00 am Friday, May 12, 2023 at RiverCrest Chapel and Event Center.

The family will greet friends from 6-8:00 pm Thursday at RiverCrest Chapel and Event Center.

Patrick F. Crowell was born November 8, 1934 in Liberty Mounds, Oklahoma to James Paul and Goldie Lucille (Hill) Crowell.

Living in the area his whole life, Pat returned home after honorably serving his country in the United States Army in 1959. Upon high school graduation, he served in Company B First Battalion Group 13th Infantry during the Korean Conflict.

Pat met a young lady by the name Almeda Culp. He was introduced through his friend, Tom, who also happened to be Almeda's brother. The two were united in marriage on March 31, 1963 in Miami, Oklahoma. The family grew with the addition of a daughter, Angela and son, William. Pat and Almeda celebrated 45 years of marriage before her death in 2008.

He has lived in his present home since the early 1970's. Pat's home is in the same spot where he graduated from Liberty-Mounds high school.

Pat's early working years were spent as a welder for Patterson Steel. He sought employment with Gregg Manufacturing where he retired as a machinist in 1983. Upon his retirement is when he began to farm and ranch full time. Pat started his farm with just 20 head of cattle and eventually grew it to over 200 head of cattle, which was always a dream of his.

Not only a hard worker, but Pat was also very intelligent. He helped bring to Oklahoma the tree transplanter- after a work trip to Arkansas, he used a photo to design it right here! Pat also

What a wonderful tribute to Uncle Pat and I learned something new reading it. I knew dad and Pat were friends but did not know dad actually introduced him an Aunt Almeda (how did I not know this). Uncle Pat certainly lived a full life and was always a busy man ! As a kid I will always treasure the times we spent in Oklahoma most Thanksgiving's driving in the middle of the night after dad got off work to be there early in the morning. Pat always up and about, in his shop working on something. I swear 40 or 50 people celebrating Thanksgiving, dad and Aunt Almeda arguing about stupid stuff everyone laughing and cutting up, watching football, doing our performances for the family at night, walking in the woods, glamping in the motorhome, sure wish we had videos of those crazy times. I miss that so much. Angie and Bill I pray for you both as you navigate life without your daddy ! Love to you all !
