Janny will always be remembered for her laughter, her whittiness, her stories, and her love of her friends and especially her family. She loved her kids and grandkids and she had a love of acting. She loved putting on a show for others entertainment. Ive known her most of my life and she will definately be missed. Till we meet again my friend.... love you

Janny was such a light everywhere she went. She knew how to boost the mood in any room. I remember always making her hot chocolate at the coffee bar every Sunday morning. She was an important part in the support system for Ali Hackett throughout both of their chemo journeys, and I know she had such a great welcoming party in heaven! I'm glad I'll get to see her again one day.
