William Collier Obituary

Born March 16, 1983 in Edmond, OK to George and Susan Collier, William George Collier was known to everyone as Will. He graduated Jenks High School in 2002 where he played varsity golf all 4 years and was a member of the 2000 state championship team. He graduated Oklahoma State University with a bachelor's in business administration. He found his place in the insurance industry, most recently working for Dustin Bass State Farm, often sharing with his mom the compassion he felt when listening to client's stories.

In 2008, Will met Cara Cooper, and after what his close family always thought was an exceptionally long time to make a great girl wait, Will and Cara married on October 25, 2014. They have 3 children: son, Cooper William born February 27, 2017; daughter, Maryn Olivia born March 10, 2020; and their newest addition, daughter, Maisy Danielle born November 5, 2022.

From a very young age, Will developed a love of making people laugh, a trait he most likely learned from his dad, George. As a toddler, he loved the hilarity of suddenly appearing naked. Fortunately, he grew out of that! His quick sarcasm and sly smiles were loved by his family and friends. Cara loved his sense of humor and his infectious laugh, and Cooper seems to be following in his dad's funny footsteps.

I met Will on the golf course. I know now that George wanted Will to embarrass me. I played my not very good game but I was in awe of Will. I knew Cara before Will I worked with her at Montereau. She brought a smile to me and everyone she came in contact. One of the best nights my wife and I had was when we met Will and Cara at George's Pub in Jenks. They were gracious to join us at our table and we told stories and laughed all night. We love y'all and are in our prayers during this sad time.

Will was such a fun little boy, the one reason he was such a fun little boy was because of his parents. I always felt I learned so much from how they handled things. When Will was little he gave himself a haircut. Most moms would panic and make the child feel awkward in front of other people. How did Susan handle it, her exact words were HANDSOME BOY, WILL, HANDSOME BOY. And he was handsome, even with his new haircut.
