B rady Duncan Obituary

Brady William Duncan passed away early Tuesday morning surrounded by family, May 24, 2022 at the University of Oklahoma Medical Center in Oklahoma City. He was 28 years old.

Born July 22, 1993 in Midland, Texas, Brady was the son of Bill and Julie Duncan. Brady grew up in Houston, moving to Tulsa at the age of 11 where he attended school at Jenks. He was a member of the Jenks swim team for a time and graduated with the Class of 2011.

Following high school, Brady enlisted with the Oklahoma National Guard. He was trained as a heavy equipment operator and soon after was deployed to Afghanistan with the 133rd Engineering Battalion. Brady's positive attitude and quick wit were infectious, always boosting the morale of his fellow soldiers.

After returning from Afghanistan, Brady attended Tulsa Community College. He enjoyed creative writing and served as president of the literary club.

Most of Brady's career was centered on the construction industry. At the time of his passing, Brady was employed full-time by Southern Demolition as a project manager. Brady was a hard-working valued employee in every position ever held. While working at the Outback restaurant, Brady was everyone's favorite server.

Additionally, Brady loved magic and was quite a character, always entertaining his friends and family. He was a selfless and caring person who was always focused on others. He enjoyed hiking, running with his dog Katie and spending time with loved ones. Brady valued family above everything. He was zealous in his aspirations to get married, build his own business, and raise a family. May he be forever remembered in the hearts of all who loved him.

Brady will be missed by so many. We met on a jobsite and he was always someone I looked forward to seeing and talking to. He had the best attitude and was so kind. I had no idea he was a full 10 years younger than me, I thought of him as an expert and full of knowledge. He was so wise. I only knew Brady professionally and would gladly take years of work if it meant working with Him. He was one of the good guys, and will be sorely missed. My prayers for his team and all his friends and family. Im truly heartbroken. In your honor Brady.

We wanted to say how saddened and sorry we are to hear of Bradys passing. It has been awhile since we have seen Brady but he always crosses our minds. We were lucky enough to have had him in our lives, through our son Myles. They were close friends all through middle and high school. It was always a joy to have him over. He was always polite and there was never a time when he wasnt smiling or in a good mood. Not sure if anyone knew or not but when Brady was 12 or so, he was an aspiring rap artist. He would go around doing his little raps and his name was White Chocolate , seems like yesterday. Thank you for all the memories. You will be greatly missed and never forgotten Brady Duncan , a.k.a White Chocolate.

I havent seen Brady for many years, but dearly remember him as the wonderfully cheeky middle brother of the three Duncan boys. Always smiling, quick with an answer for everything and the most loving of the three. Even as a two or three year old able to make everyone laugh. The world is a lesser place without him.
