## Randy Armstrong Obituary

Randy Eugene Armstrong was born September 29, 1956 in Coffeyville, KS to Larry and Jane Armstrong. He passed away peacefully on January 17, 2022 at his home in Broken Arrow, OK., after a courageous battle with cancer. Randy graduated from East Newton High School in Granby, MO in 1974, where he excelled in academics, football and basketball. He attended the University of Missouri at Rolla and spent his life as a CNC programmer and machinist, retiring in 2020. He married Becky Hildebrand on June 4, 1977 in Diamond, MO and they moved to the Tulsa area where they lived their life and raised their family.

In addition to his parents and wife, Becky, he is survived by his daughter, Mandy Armstrong (and friend, Alex Nystel) of Tulsa, OK and his son, Lance Armstrong (and wife, Lauren) of Fort Washington, Maryland. He also leaves behind young grandsons, Tiberius and Gideon who dearly loved their “Pops”.

Also surviving are brother, Larry Wayne Armstrong (Cindy) of Broken Arrow, OK; his sister, Kelly Mishler (Rick) of Locust Grove, OK; sister-in-law and brother-in-law, Laurie and Gene Delano of Loma Linda, MO; traveling friends, Charles and Norma Venable of Neosho, MO and eight nieces and nephews.

Randy was an ardent (and sometimes obnoxious) Oklahoma fan, cheering on the Sooners in football and basketball. He was also a proud member of the Cherokee nation. Memorial services will be held on Saturday, January 22 at 1:00 p.m., at Rivercrest Chapel and Event Center in Bixby, OK. Memorial contributions can be made to the National Multiple Sclerosis Society, 1050 N. Post Oak Road, Ste. 240, Houston, TX 77055 or at the following link:

Randy, I was so blessed to know you. To pledge as brothers at Rolla and to share a room there. To reacquaint in Tulsa where you invited me to play soccer with you and your brother Lance. Where you invited me into your home for dinner where I met your wife, You invited me to your dad's machine shop and his lake house where we fished. Thank you for inviting me to be apart of your life. I was so saddened to hear of your affliction but in the process of rediscovering you on FB, I was so happy to hear of your travels to the DC area to see your grand kids. Love their names by the way. Oh how I wish I would have made it back to the Tulsa area one more time. If your kids or grandkids read this, I want them to know that your were not only a kind man, you were one of the smartest guys I went to school with and that if it hadn't been for greater passions; basketball and late night bridge, your path may have been very different; but there is no way it could have been better. You passion for Becky and family were obvious. What a great example, dad and grandfather you must have been. I miss you brother, John Auman

Dear Becky, Mandy and Lance, From the first time I met Randy, he was always very kind and polite with a smile on his face. Even when we worked late and I had to answer the phone and tell him yes, Becky is indeed still with a patient, he was never ever rude to me. Becky was with me holding my hand and by my side every step of the way when I lost my husband. I couldnt have done it without her. Ill be here to help her, knowing though, that only time can really help. but we will all help her get through the time and thats really all any of us can do. Please let me know of anything else that I can do that I may not think of. I know Becky and Mandy have my number, so get it from them, Lance, if you think of any need for any of you! My deepest regrets seeing you all experience this loss. Randy truly was a real nice man! With love, Marcie Crittenden
