Peg Thomas posted:

Estol had a beautiful voice. It's what I fell in love with first. He sent me a tape when we were dating. He sounded like John Denver, then I met him! A Kansas farm boy, bronze tan and very handsome! He was a quiet unassuming man. He loved Jehovah's creations and people too. He lost his way for awhile, but had a very positive outlook and even though diabetes wreaked havoc on his body he never let it slow him down.
