Bradley Keith Stine was born July 20, 1945 in Dayton, Ohio. He is survived by: his wife, Patricia Sue Stine; and his four children: daughter, Julie Moss and her husband, Travis; daughter, Robin Blonsky and her husband, Craig; son, David Stine and his wife, Jamie; and son, Daniel Stine. His grandchildren are Leanna Shawn, Grace, Tyler, Ellie, Jake and Michael. Also, his sister Priscilla Nadasi and her husband George also survive.

He was preceded in death by his parents Willard and Willma Stine.

Brad grew up in Dayton, Ohio and graduated from Beavercreek High school. He then received a bachelors degree in Engineering from General Motors Institute in Flint, Michigan where he met Sue, the love of his life. Brad and Sue were married August 10, 1968 and were married for 53 years. He always valued their marriage and made date nights a top priority.

Brad accepted Christ in 1970 and his faith was pivotal in his life journey. Throughout his life, he shared his faith with many at home and abroad. He was an engaging storyteller, and was always available to those around him for support, godly wisdom and helping them achieve their dreams.

It was once said, Brad took his faith seriously, but he didn't take life too seriously. Known for being a tease, and a prankster, Brad loved messing with people and telling corny jokes and one-liners.

We are thankful for Brad and Patricia as they took our daughter under their wings when she attended Rhema Bible College back in the late 90s. They were so kind and generous of their time and energies. Shelley and Julie have been friends for years and it was forged with Brad and Patricia s watch care. Our thoughts and prayers are with the Stine Family during this sad time. Jerry and Nadene Speck

Brad Was a precious friend and board member to us at Harvest Projects Intl and Tulsa Prayer House. He & Crown furniture helped to furnish it. And through Harvest For The Homeland, Brad assisted us in hosting 4 yrs of our Prayer Conventions in Tulsa, & Plymouth MA. He assisted in pitching our gospel tent on CapeCod. He helped me with my music concerts in Branson MO. We remain eternally grateful. His house prayer meetings were awesome packed out attendance, moves of God. He often featured Harold The Truck Driver there too. I remember a funny incident in Plymouth at our Oceans of Glory convention. When asked to take up the offering, he came to the pulpit and held up a bag of dirt!? And asked how many others had brought Holy Ground? (Explaining his collection of dirt was from the Welsh Revival, Azusa St Revile, Heperdees Islands & MA etc) suddenly people began laughing and shouting and running to the platform holding up bags of dirt that they too had brought!(non of this was previously coordinated)! And each said they were a descendant of the pilgrims from the MayFlower. And they were from CA, MN, TX etc.... all over America. Next day Brad led us all at Plymouth Rock to dump our dirt on Holy Ground! We were tagged as the Holy Ground Revival! & today? There is a HolyGround Church near there!Glory!!!!
