Mom.....you were an "angel in the shape of my Mom." We have memories of a life that has been loved. Even though our hearts are broken, you say "it's a life that's been loved." Spread your wings as you go and as God takes you back, we will say, "Mom you are Home."

Nancy was a very close friend to my family. She work with my father for many years at JC Penny's. He always had kind things to say about her and stories from the times they worked together. My mother was a current customer of hers at the unique gift shop she owned and ran. It broke my mo.s heart to hear of her passing. We all as a family send our condolences to her family and hope to ease a little bit of the loss. She was a very special person and will forever be in our thoughts. She has the opportunity now to relax and reminisce on the times she shared with my father in the heavens above. We are sorry for the loss of this wonderful women. Bless all of you.
