Clark was my friend, and my brother. We were not related but many thought we were we looked and thought so much alike and shared so many traits. We traveled to and fished in Alaska. Hunted and trapped N.E. Oklahoma and we're inseparable for many years. Rest easy my brother and I will see you on the other side find us a good hunting and fishin spot in heaven and keep the whiskey cold. I will see you when the boss calls me home. Love you and miss you my friend. Grizz
