Del Henry Obituary

A memorial gathering celebrating the life of Del Alan Henry, long time Sapulpa resident, will be held from 2-5 PM Saturday, July 25, 2020 in the Great Room at the RiverCrest Event Center in Bixby. A time of sharing memories will take place at 4:00 PM. Del passed away Monday, July 13, 2020 in Oklahoma City at the age of 65.

Born February 28, 1955 in Tulsa, Del was the son of Fritz and Doris (Hickey) Henry. A rowdy toddler, Del never had any trouble finding mischief to get into. Numerous stories will serve as a testimony to this. He graduated from Kiefer High School with the Class of 1973 where he played football.

Del worked in construction as a homebuilder for many years in the area. He met his wife, Angela while doing business at the Stuart Lumber Company in Sapulpa. Twenty years later, they ran into each other at Homeland while Angela was buying Halloween candy. Del asked, "Didn't you work at Stuart Lumber Company?" The rest was history and they spent the rest of his life "on the go" together. Del and Angela ventured to the Ozarks to get married on November 9, 2000 in their blue jeans and leather jackets. They kept the occasion a secret until it was official!

The couple traveled extensively together, Aruba remaining their favorite destination. They loved horseback riding on the beach, deep sea fishing, hang gliding, and snorkeling. Del and Angela also loved spending time outdoors together, hunting dove at Council Hill, deer hunting on the Gish's 80 acres, hog hunting in McAlester, and fishing for Striper on Lake Tenkiller. He also was an accomplished water skier, making countless trips to Bull Shoals Lake where Del was known to ski barefooted.

Del loved old-time country music and playing his guitar, an instrument with tremendous sentimental value to his family. His practical jokes will not soon be forgotten by those Del cared about most. He regularly dressed up in his "Jason" costume from the "Friday the 13th" movies,

peeking in the windows and scaring everybody in the house. Del also owned quite the collection of fake snakes and blow horns, blow horns being his absolute favorite! He will always be remembered for his “Captain Morgan” impersonations.

The 5-acre homestead in Sapulpa was a special place to Del Henry. He maintained multiple gardens comprised of 25 tomato plants every year, and he also raised cucumbers, onions, and he loved to grow lantana flowers. Del grew vegetables for all his friends and family. He loved his Great Pyrenees dogs who followed him everywhere, both on and off the property. Del took them to the Bass Pro Shop every year to have their picture taken with Santa Claus. His acreage was always well groomed by quite a few Barbados sheep.

Del was a historian, fascinated with World War II primarily due to his father’s service in Iwo Jima. His favorite TV shows included Antique Road Show, Bonanza, The Rifleman, and Gunsmoke. You seldom ever saw Del not wearing a hat from his vast collection. Whether he needed it or not, Del got a haircut once a year from Ray Kirby at Studio One. Del’s life will be honored and celebrated by a host of family and friends for years to come.

I couldn't have asked for a better stepdad than Del. Besides the fact he treated my mom like a queen, they had so much in common to share with each other. They truly were best friends and soul mates and always had something planned to do together whether it be hunting, fishing, traveling or just working in the garden together. I will miss all our family barbecues. Being one of Don's biggest fans I don't think he could have ever made too many ribs for you... lol!! will miss you so much but know you will always be watching over everyone you love.

Del was my stepdad and even though we didn't agree on everything between both of our hard heads, he always meant well and wanted the best for us. He always wanted us to be our best and if we stepped out of line, he let us know real quick. After losing my father 6 years ago I was devastated but I knew Del (my stepdad) loved me and I loved him so he was the last man I looked at as a father and knew he loved me. Thank you for making my mom the happiest I have ever seen her. I love you and know you will watch over us. I will never forget you! Love always, Krissey

My heart breaks as I hear of Del's passing . We went to school together for years not sure what year he came to Kiefer . He was always so kind and soft spoken . I would see him occasionally at Walmart and we would visit . Last time I saw him he had the storm and a mess at their house with the big tree . Angela you had a good man there and we pray for peace & comfort for you as you go through this time of sadness. Look to God for ur peace & comfort !
