Gert was a lovely woman. She and her husband George were among my parents' first friends when they also moved to Tulsa and were certainly the most enduring. Our families shared many holiday meals over the years. As time passed and we had families of our own, Gert always came to see us when we were visiting our parents. She was a generous, kind and considerate person and we were all fortunate to have known her. My best wishes to Gail, Glenn and your families.

Gertrude was a beautiful, elegant lady. Used to admire her clothes. Always wore hats to match her outfits. She friended me when I first started going to St. Luke's. We worked on committees, went out for lunches and had a lot of fun together. Even after she moved to University Village a group of us would get together for lunches to celebrate birthdays. May she rest in peace!

Just wanted to share my memories of your Morher and her wonderful life. She was so kind, accepting and generous. We had many chats in her front yard while the dogs played! We moved from cul de sac in 2006 but I always remember her wit and good humor. May your good times together comfort you during this time. Marcia Burrus(lived two houses down on 44 st)
