William Teague Obituary

William V. "Harpo" Teague lived in Missouri during his childhood where he loved fishing, working on cars and tinkering. Not afraid of hard work, Harpo picked apples and cotton in his younger years. He enjoyed tinkering and could make almost anything- like the well house he built of scrap lumber. Harpo worked as a machinist for more than 35 years. Before his career as a machinist, he built bridges and roads.

He was full of advice- even if you didn't want to hear it! A stranger to no one, he would help anyone without expecting anything in return.

Harpo passed away April 20, 2020. He loved his wife of 64 years. He had four children, fourteen grandchildren and twelve great grandchildren. He had a special love for each and everyone one of them and was a Dad and Grandpa to many more.
