Bonnie was born on August 22, 1956 in New Richmond, WI. She graduated from Lincoln High School and went on to attend Brigham Young University, the University of Minnesota and obtained her bachelors degree from Langston University. Bonnie and Allen were married on December 22, 1975. They were later sealed in the Washington, DC Temple for time and all eternity. Bonnie was a faithful member of The Church of Jesus Christ of Latter-day Saints, and served in many capacities over the years. Bonnie was a natural athlete, musician, seamstress, decorator, and fashionista. Bonnie wasn't a sous chef; however, if you ask her 5 boys what their all-time favorite dish is, they will all say mom's taco salad. Bonnie had a heart for helping others. She selflessly gave her time, love and resources to so many throughout her life. We will cherish Bonnie's memory and love her forever.

A celebration of Bonnie's life will be held on Friday, September 6, 2019 10am at The Church of Jesus Christ of Latter Day Saints - 1701 North Hickory Ave. in Broken Arrow. A private viewing and interment will be held for her extended family.

I think every year will probably get a little easier. That's usually how it works. Time helps with healing, the distance between when I saw you last has grown. But today I really miss you and your friendship.

Bonnie was such an incredible influence for good on me as a teen and young adult. I have countless memories of her as a young mother and wife that have flooded my mind for the past few weeks. I wanted and still want to be just like her. I know her wonderful spirit continues on with loved ones on the other side of the veil. My thoughts and constant prayers are with her family at this time. All my love, Pam

Oh my heart hurts. Avis. I was her 1st supervisor. Then I became an adoring fan! Funniest stories about her boys - loved the trip to Sears & her guys would jump on lawn equipment. Vvoorm- all over in one place !! She had a "brain" episode in the early nineties. She took off her wig & laughed. Told me she directed Allen where to shop for a new wig. There was the back story & the then story — Bonnie was amazing. Funny, sensitive, joyful. So glad that her "guys," wives, grandchildren etc got to know this sweetheart of a lady. Grateful for my memories 🍷. Martha Sullivan
