Dr. Linda Sanders posted:

Virginia helped me start my career in education at Jenks many years ago when I was young, and she was such a kind, helpful, caring teacher and a generous, outgoing person. I followed in her footsteps there for 25 years. Her students liked her a lot and lovingly called her "Mrs. T." She was an inspiration to all of us in the public school system. I'll always be thankful that I got to know her and likewise help children to learn, grow, and succeed. -Dr. Linda Sanders, School Psychologist.
