Carlos Omar Coronado, Jr.

AUG 27, 2008 - SEP 12, 2024

A Memorial Mass to celebrate the life of Carlos Omar Coronado, Jr. will be 10:00 a.m. Saturday, September 21, 2024 at Saints Peter and Paul Catholic Church, 1436 N. 67th E. Ave., Tulsa, OK 74115.

Carlos Omar Coronado, Jr., affectionately known as "Omarcito," was born on August 27, 2008, in Tulsa, Oklahoma, to Carlos Coronado, Sr. and Griselda Rodriguez. From a young age, Omarcito took on the role of a big brother with pride, always looking out for his younger siblings, Anthony and Freddy. His love and guidance were felt deeply by his brothers, who admired and looked up to him in countless ways.

Omarcito had an adventurous spirit. Anything with wheels and speed fascinated him, whether it was riding four-wheelers, motorcycles, or skateboarding. His love for thrills extended to amusement parks, where rollercoasters became a source of joy. However, he also found solace in quieter moments, enjoying peaceful fishing trips and immersing himself in video games. A recent family trip to Hawaii gave him a glimpse of paradise—he fell in love with the beauty and tranquility of the islands, even imagining one day calling it home.

Throughout his illness, Omarcito demonstrated immense strength and courage. Despite the challenges he faced, he remained brave, never complaining, and continued to share his love and kindness with everyone around him. Omarcito was not only deeply loved but also loved deeply in return, leaving a lasting impact on all who knew him.

On Thursday, September 12, 2024, Omarcito passed away at the age of 16, leaving behind a legacy of love, adventure, and strength. He is survived by his devoted parents, Carlos Coronado, Sr. and Griselda Rodriguez Coronado; his cherished younger brothers, Anthony and Freddy; his paternal grandparents, Luis and Nena Coronado; his maternal grandmother, Elvira Francisco; and a large, loving extended family of aunts, uncles, cousins, and friends.

Omarcito's memory will forever live on in the hearts of those who loved him.
